## PATHOLOGIC EXHIBIT.

The Program Committee has decided to provide space for an exhibit of pathologic specimens. Commercial exhibits are not to be included, but physicians having original models of instruments, or institutions having educational exhibits may apply for space.

Applications for space should be made to Dr. Alfred Baker Spalding, Lane Hospital, S. F.

## COMMITTEE ON SCIENTIFIC PROGRAM.

To all Authors having place on the program of the State Society Meeting:

Please read the following very carefully and act upon the suggestions at once, as they are important, not only to the success of the program but to you, personally.

1st. If you will need the use of a projectoscope, moving picture machine or other equipment, kindly write at once, making known your needs. If you do not do this, do not blame the Committee of Arrangements or the Program Committee if you are not supplied when the Society meets.

2nd. Send us, as soon as possible, the name of the doctor whom you wish to open the discussion of your paper. Please do not delay; do it now.

3rd. A suggestion. In order to make the discussion of interest and value, a copy of your paper should be presented to the opener

of the discussion of your paper not later than one week before the Society meets.

4th. **VERY IMPORTANT.** Your paper, when read, becomes the property of the Medical Society of the State of California and may be published or refused publication in the Journal, according as the judgment of the Publication Committee dictates. The rules require that your paper as read must be left with the Chairman of the Section before which it is read. The new ruling of the Committee requires that a copy of the paper which you will read must be in the hands of the Secretary before it is read at the Society meeting. Therefore, please bring with you an extra copy of your paper to be presented to the Secretary before you deliver your address.

## DEL MONTE.

Every person who is expecting to attend the annual meeting at Del Monte on April 16, should make immediate reservation if he does not wish to court disappointment. The state society meeting is placed in the middle of the busy hotel season at Del Monte and rooms will be at a premium. There is every necessity for immediate reservation. Do it now. You can cancel a reservation if absolutely necessary later. You will probably be unable to secure accommodations toward the date of meeting. Railway rates are one and one-half the lowest regular one way fare, on the
